TUITION POLICY

Tuition may be paid in full annually or monthly. Tuition is based on a 12-month school year. You may opt to pay on a 10-month plan. (Annual tuition discount: 5% off total tuition is only applicable if paid before June 30th.) The first payment is due July 1st, and the last is due June 1st. There is NO tuition reduction for holidays, school breaks, sicknesses, absences, natural disasters, or pandemics. Tuition remains the same each month. Monthly tuition is due and payable on the 10th of each month. Tuition may be paid in cash, by check, or Square (families are responsible for fees) A need-based scholarship fund is available for students. Contact the School Director or see the website for more information. Tuition is discounted 5% for the 2nd sibling and 10% discount for any additional siblings of the 1st enrolled student.

- Current students are continuously enrolled until graduation as long as both the student and family remain in good standing. The parent or guardian is responsible for the annual tuition beginning on July 1st. Discounts are given to families with more than one student.
- Tuition refunds and/or waivers of financial responsibility for the remaining tuition due will be made only if the family is moving out of the area (50+ miles). Withdrawals between July 1 and June 30, tuition refunds will be prorated based on the withdrawal date.
- Families enrolling during the school year will pay prorated tuition based on the number of days in school.
- The school reserves the right to deny a student's attendance for payments of more than thirty (30) days of delinquency. Payment plans must be maintained in active status or student attendance will be affected.
- An application fee is assessed for each new applicant. This fee is refundable only if a student is denied admission by the school or placed in a waiting pool. Returning students are assessed an annual enrollment fee through a tuition deposit.
- In the event of withdrawal, the balance of outstanding fees and tuition must be paid before clearance is given to other schools in the transfer of transcripts/record
